

FREQUENTLY ASKED QUESTIONS

What Repairs Do We Cover?

Leak Repair, Burst Pipes, Clogs, Retubing, Cleaning Pipes, Installation of Appliances and many more. All repairs commonly known to the broadly defined plumbing industry are covered within our services.

Regardless of the damage we are always able to immediately stop the leakage, prevent further damage, analyse the situation and advise on further steps.

Why Should You Choose Us?

We offer an outstanding customer service & aftercare. Fast local response around Greater Manchester (circa 20min), 20+ years of experience in the industry and highly competitive pricing. On top of that, a 6 Month guarantee on our services and an invoice for each completed job.

Where Are We Based?

Our main office is located in Greater Manchester - 3 Gerrard Close/Ashton-under-Lyne, however our technicians are spread all around Greater Manchester to ensure the fastest response times on the market.

What Guarantee Do You Get?

As a standard practice you are getting a full 6 month guarantee on our work. To date, 100% of our jobs are done to perfection first time round. In case there is ever an issue after our repair all call-backs are always **FREE OF CHARGE.**

How Much Do We Charge?

Our prices are highly competitive and in most cases depend on the issue we deal with. We always advise to invite a technician over so they can analyse the issue & your set-up in order to quote an accurate amount. The final charge will always depend on the scope of required works, degree of risk involved, time of the day and materials used in the process.

Values We Stand For?

We always work to the highest standards in terms of quality of execution and quality of materials we use in the process. We have promised to work in line with the policies outlined by the British Association of Plumbing.
